Pro Medicare srl grants **24 months** warranty on production defects from the date of the first put into service and **12 months** on covers and components subjected to wearing. Warranty is void if the product is used in any other way than stated in the Instruction Manual.

Note: Any request for variation in dimensions, materials and type compared to the standard does not have CE marking, therefore the professional user becomes the manufacturer and has the obligation to draw up the technical documentation of the device.

Images are purely illustrative and may not fully reflect reality.

### Standard Configuration

- Frame Adacta Liga Light anodized satin colour Titanium
- Fixed folding down back posts
- Reclining mechanism by predetermined plate w/pin 3°, 9°, 15°, 22°
- Continuous Tilt in Space by drive lever from 4° up to 30° (from 6° up to 39°)<sup>1</sup>  
<sup>1</sup>Tilt in space can be up-graded of 4° with an increment of the starting position of the frame by operating on the positioning holes of the caster fork
- Adjustment of the seat depth
- Height adjustment: High (49 cm from the floor) /low (43 cm from the floor)\*
- Detachable footplates with 75° fixed knee angle
- Fixed Anti-tip system
- Wheels Kit with brake
- Rigid wooden seat base covered leather flex
- Kit of ABS laterals with arm supports
- Versa Inserto Trunk/Pelvis positioning system
- Capitis Headrest
- Fixatis Pelvic Belt

The images are purely indicative and may not reflect the standard configuration
