DIMENSIONS: PAD Dimensions: Length x Width: 105x90 [cm]/41.33x35.43 [in]

WEIGHT: 4,5 kg/9.92 [lb]

MAXIMUM LOAD: 60 kg/132.2 [lb]

please refer to the relevant order form for details of the standard configuration and related accessories/spare parts.

PERFORMANCE AND DURABILITY:

The duration of maintenance of performance, under safe conditions, of these devices is defined as 2 years (padding) valid under normal conditions of use and proper maintenance in accordance with the manual.

MATERIALS:

The entire system is made of polymeric material and combines different characteristics of density, elasticity, lift and shape memory; the whole is covered with different fabrics with combined composition:

- Nylon/Lycra in the case of the upper element;
- Polyamide, Elastane, Silicone, Nylon/Lycra for the lower element;
- PU/PES in the case of the postural element coverings. These coverings have the following characteristics:
 - antibacterial, non-cytotoxic, non-irritating
 - resistant to virus penetration
 - antifungal, fireproof, biocompatible
 - OEKO-TEX® certified, latex-free
 - breathable, waterproof, washable and sanitizable

MAINTENANCE AND CLEANING:

The cover of the upper and lower element, being removable, can be hand-washed with warm water (30°C) and then air-dried. The covering of the postural elements can be sterilized by washing it at 95° and sanitized with the following detergents/disinfectants:

- PERSIL EXPERT coldzyme/HENKEL
- 70% etanol
- PERFORM/Schuelke
- TPH PROTECT/Schuelke
- MIKROZID AF liquid/Oktalpharma
- INCIDIN PLUS/Ecolab
- DESCOGEN liquid/Antiseptica
- MANORAPID/Antiseptica
- PLIVASEPT/Pliva

SODIUM HYPOCHLORITE-BASED PRODUCTS CANNOT BE USED

Hand-washing max. 30°

DO NOT USE DRYERS TO HAVE A LONGER PRODUCT LIFE.

PACKAGING:

It comes inside its PAD bag with the postural elements placed in the plastic case and individually packed in cardboard.

HIPPO MB provides the following accessories:

- Footrest straps
- Storage bag
- PAD bag (also provided in standard configuration)
- Handles and PAD Hygienic protective cover
- Inserts/accessories plastic case (also provided in standard configuration)
